WRECK ASHORE!

LET US TAKE YOU BACK TO
1856
◆ THE ERA OF THE WRECKERS ◆

Embark on a maritime journey at the Key West Shipwreck Treasure Museum, where you'll explore Key West's nautical heritage and its rise as one of the United States' most prosperous cities.

Immerse yourself in an experience that effortlessly blends actors, films and authentic artifacts recovered from the 1985 rediscovery of the wrecked vessel Isaac Allerton, which met its fate in 1856 on the treacherous Florida Keys reef.

Then climb the impressive 65-foot lookout tower for a sweeping view and, if necessary, alert the authorities about wrecks on the perilous reef!
